

#GreenHacks: Design Innovation Workshop #1

Session details: 25 November 2023, 9.30am – 4.00pm

S/N	Summary of Discussion	Action by
1	Context Setting and Q&A	
1.1	<p><u>Context Setting on Food Security and Sustainable Consumption</u></p> <p>The context was shared for two topics: (i) Food Security, including current global trends that impacted food security for Singaporeans, and current approaches towards achieving food security, and (ii) Sustainable Consumption from the waste management angle, considering Singapore's resource, land and carbon constraints, and ongoing and future efforts in moving towards a sustainable society.</p> <p>The panel engaged in a discussion on various aspects of the topics, including the target audience and stakeholders, recycling, farming technology, and data usage.</p>	
2	Introduction to Tools to Analyse Policy Issues by Verian	
2.1	<p>Khairul (Verian) shared about tools to analyse a policy problem, including the Known-Unknown Matrix and stakeholder mapping. He facilitated hands-on activities for these tools, where the panel split into smaller groups, discussed, and consolidated their learnings on a Padlet wall:</p> <ul style="list-style-type: none">a. 3	Closing	
3.1	<p><u>Summary of follow up actions and AOB by Panel Leads</u></p> <p>The panel conducted a straw poll on which of the two topics they wanted to focus on. The poll was in favour of Sustainable Consumption with 61.5% of the votes. However, panel leads would conduct an official poll in January as not all members were present.</p> <p>Panel leads asked panel members to gather information on the topics and to upload relevant materials onto the Google folder. They also asked members to consolidate questions for agencies for sending to MCCY and NYC.</p>	<p>Panel leads</p> <p>Panel members</p>
